

**Beach House Student Ministries
Mission Trip
Changing Lives. Bringing Hope.**

Dear Owner/Manager,

Because you own a local business, we knew you would want to know there are students in this community who are **choosing to do something very positive this summer.**

In June, there are 25+ high school students (and current 8th graders) who are going to China Grove, North Carolina to spend a week doing light home repair such as scraping/painting, roofing, building wheelchair ramps, replacing rotten wood, etc. for the elderly who either don't have the funds or family to make these repairs. Each student needs to raise \$675.

On April 25th, we are hosting our 5th Annual Shells & A Show. Shells Restaurant caters a meal and then we have a quality show of music, skits and humor. There will also be a silent auction where we can display items of value given to us by businesses. **Your donation will be greatly appreciated and displayed with pride.**

We are expecting 150 local people to attend who will know you supported something so positive! We want this to be a win-win for both of us!

All donations are **tax deductible**. If you have any questions, please don't hesitate to call.

Thanks For Making a Difference Together,

Jonathan Cronkhite
